

HAPPY FEAST OF RESURRECTION

Ekhrestos Anesti...Alesos Anesti

On behalf of our church committee members, as we approach the celebration of Easter, we want to take a moment to reflect on the significance of this special time of the year. Easter is a time for us to come together and rejoice in the hope and promise of a new life with Jesus Christ.

As we gather to celebrate Easter, let us remember the ultimate sacrifice that was made for us, and the profound love and grace that was shown to us through the crucifixion and resurrection of Jesus Christ. This powerful act of love and forgiveness reminds us that no matter what trials we may face, God is always by our side.

May the joy of Easter fill your hearts and homes with peace and love. Let us continue to support one another, and let the hope and promise of a new life guide us forwards.

We would like you to rest assured that we have started prioritising tasks, and we are working hard to set up a plan of action to tackle the church's needs. We are always open to hear from you if you have any feedback, so please reach out to us whenever you need to on our email: committee@abusefein.org.au.

We will make sure to keep you posted with more updates on regular basis.

Wishing you all a blessed Feast of Resurrection.
